It is very rare to find a full square section of Flint Hills pasture for sale in Butler County Kansas, especially with such a variety of appealing characteristics! Take a look at this excellent opportunity to Invest In Land!

ABOUT THE FLINT HILLS: The Flint Hills are a region of hills and prairies that lie mostly in eastern Kansas. It is named for the abundant residual flint eroded from the bedrock that lies near or at the surface. The Flint Hills Ecoregion is designated as a distinct region because it has the densest coverage of intact tallgrass prairie in North America, resulting in the prevalence of cattle ranches. Used for both cow/calf and yearling grazing, rapid gains can be obtained during the summer growing months.
